Environmental Policy

All Solutions (Leics) Ltd has created and implemented an environmental management system based on nationally and internationally agreed principles, conforming to the requirements of BS EN ISO 14001 Environmental Management System. This system will be implemented, maintained, and continually improved in accordance with the Standard and will comply with legal and other requirements to which the business subscribes, relating to its environmental aspects.

All Solutions (Leics) Ltd is committed to:

- ▶ Protecting the environment, local biodiversity, and ecosystems by minimising our environmental impacts, including energy, waste streams, water usage, air quality, and emissions.
- ▶ Complying with legislation and all other applicable compliance obligations.
- ▶ Identifying the optimal material properties to ensure our products have the required longevity and performance.
- ▶ Reducing material/chemical inputs, wherever practical to minimise waste streams.
- ▶ Reusing/recycling waste wherever possible in our operations i.e., material, packaging etc.

All Solutions (Leics) Ltd aspires to promote a positive sustainability culture for the benefit of current and future business.

Management within All Solutions (Leics) Ltd is committed to providing resources (including human resources and specialised skills, organisational infrastructure, technological, financial, and physical resources) essential for the implementation and control of the Environmental Management System. All management functions will comply with the requirements of the Environmental Management System, and employees are expected to perform their duties following established procedures and instructions.

All Solutions (Leics) Ltd shall ensure the high standards of our environmental management system are maintained and monitored, reviewed regularly, and improvement opportunities identified through:

- ▶ Minimum of annual reviews of our management system, taking into consideration changes in technology, legislation, or company requirements.
- ▶ Setting and reviewing set objectives and targets.
